

In the summer of 2011...

Students were picked up and taken to the Whittaker Library for four weeks.

What did these students do?

- Academics
- Soft Skills
- Community Service

And the Educate Youth Summer Program was born!

2024 Academics

The Educate Youth Summer Program spends an hour each day on academics!

- **Buddy Reading**
 - For 30 minutes each day, students read books in small groups with a mentor. When students finish a book, they earn 5 cents per page and have the opportunity to keep their book!
- **Math**
 - Students do math to prepare for the future, as well as applied math activities, such as budgeting their Buddy Reading money.

2024 Activities

- **Swimming**
 - Weekly visits to the Rutherford Pool
- **Intergenerational Work**
 - In partnership with the Ypsilanti Senior Center
- **Community Service**
- **College Visits**
- **Financial Literacy Class led by Retirement Income Solutions**
- **Basketball**
- **Art**
- **FUN!!!!**
